Claims 22, 25-32 are allowed. The following is an examiner's statement of reasons for allowance:

Although the cited references (Cirri and Li) teach some parts of the invention concept, but as Applicant has argued, Cirri teaches continuous movement of the laser. Therefore, the prior art of record does not fairly teach or suggest combining the said references in a process which the laser spot being moved intermittently, particularly such that the spot of the laser light remains stationary for 1-30 s during irradiation and the time interval between irradiation of successive discrete location on the surface by the spot of laser light is between 0.1-2 sec.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to TABASSOM TADAYYON ESLAMI whose telephone number is (571)270-1885. The examiner can normally be reached on 7:30-5.
